## Award for Innovation in Construction Project Delivery

### Presented to:

The Project Management Team (PMT) for the Maine General Medical Center Project

### Text of the award:

This award recognizes the combined innovative efforts of the Owner, Maine General Medical Center, the Design Professionals SMRT and TRO JB and the Construction Team JV Partners H P Cummings Construction and Robinson Morton Construction, in developing the Contract Structure, Shared Financial Responsibilities, and most significantly in the development of an Insurance Vehicle that enabled this major construction project to move forward using the Integrated Project Delivery Model, a significant first in the Maine Construction Industry. The Maine Chapter of the Construction Specifications Institute is pleased to recognize these accomplishments and present this award on the 16<sup>th</sup> day of June 1012.

### Presented to:

Rick Albert and John Milbrand – Maine General Medical Center  
Craig Piper and Stacy Yergotelis – SMRT and TRO JB  
John Scott – H P Cummings  
Steve Wiely – Robinson Morton Construction
