

## Maine Chapter Programs (Beginning September 2000)

| Month       | Educational Topic  | Speaker  | Attendance | AIA<br>LUH |
|-------------|--|--|------------|------------|
| <b>FY01</b> |  |  |            |            |
| September   | Volatile Organic Compounds   | Robert McIntire,<br>CSI, CDT - ICI<br>Dulux Coatings | 20         |            |
| October     | Synthetic & Steel Fibrous Concrete Reinforcement                             | Bill O'Day -<br>Nickerson & O'Day                    | 16         |            |
| November    | Internet Languages   | Gilles LeTourneau,<br>CSI                            | 14         |            |
| December    | All-Industry   |  |            |            |
| January     | State Fire Codes   | Steve Dodge,<br>State Fire<br>Marshall's Office      | 27         |            |
| February    | Safety Hardware and 1st Mentoring Program                                    | Jim Tartre, CSI -<br>HCI Craftsmen                   | 12         |            |
| March       | Meeting Cancelled - Snow   |  |            |            |
| April       | The Real Design-Build  | Dorwin Thomas,<br>1st V.P. NE<br>Chapter DBIA        | 27         |            |
| May         | Fire Stopping  | Paul Terkeleen -<br>HILTI Inc                        | 15         |            |
| June        | Awards Night   |  | 25         |            |
| <b>FY02</b> |  |  |            |            |
| September   | Division 1: Differences in Open Bid, Design/Build, & Construction Management | Paul DiBona, CSI,<br>CCS                             | 30         |            |
| October     | Multipurpose Thin-set Mortar Myths (Joint Meeting - NNECPA)                  | Rich Citro, CSI<br>Mapei Corp                        | 22         |            |
| November    | Avoiding Concrete Floor Failures (Seminar)                                   | Peter Craig, CSI                                     | 83         |            |
| December    | All-Industry Meeting   |  |            |            |
| January     | NFPA 5000 - Code Update  | Robert Solomon,<br>PE, NFPA                          | 20         |            |
| February    | Division 17 - Communications, T-Series CAD                                   | Jim O'Reilly, CSI<br>Archi-Technology                | 24         |            |
| March       | Renovating the State House, Capital Connector                                | Rick Burt<br>Weinrich & Burt                         | 72         |            |

|             |   |   |  |  |
|-------------|---|---|--|--|
|             | (Student Mentoring Program)   |   |  |  |
| April       | Our Industry and the Environment  | Kevin Hancock<br>Hancock Lumber   | 16   |  |
| May         | Using Alternative Delivery Method Contracts for State and Public School Projects  | Elaine Clark,<br>Director, BGS  | 38   |  |
| June        | Awards Night  |   | 22   |  |
| <b>FY03</b> |   |   |  |  |
| September   | Adopting a National Building Code   | Martin Conant,<br>CBO - BOCA  | 32   |  |
| October     | The Expanding Design Opportunities of Architectural Concrete (Joint meeting - NNECPA)   | Robert Myers, CSI,<br>Exec. Director<br>NNECPA                          | 40   |  |
| November    | Doors & Hardware Seminar  |   | Attendees 48,<br>Speakers &<br>Exhibitors 25 |  |
| December    | All-Industry Meeting  |   |  |  |
| January     | Mold Contamination in Buildings   | Pat Hinckley, CSI   | 21   |  |
| February    | "Know your CSI" - CSI Awareness Program   | Dick Eustis, FCSI,<br>CCCA  | 21   |  |
| March       | Design & Construction of a Maine High School<br>(Student Mentor Education Program & Site Tour)  | Steve Rich, AIA<br>Ray Bolduc, PE<br>Stacy Gammon                       | students 23<br>faculty<br>2<br>Members 19    |  |
| April       | Science Cabinets  | Roger Varney<br>Scott Gordan  | 15   |  |
| May         | Green Design Conference (All-day Seminar)   | Multiple  | 100  |  |
| June        | Awards Night  |   | 23   |  |
| <b>FY04</b> |   |   |  |  |
| September   | Maine's File Bid System - Issues and Updates  | John Butts, CSI   | 35   |  |
| October     | Lab Tour of Univ. of Me. Advanced Structures & Composites Laboratory and program on Commercial Production of composite members (Meeting in Orono) | Robert Lindyberg<br>& Al Putnam   | 29   |  |
| November    | Mold and the Built Environment  | David Shore,<br>Environmental<br>Health &<br>Engineering;<br>Newton, MA | 29   |  |
| December    | All-Industry Meeting  |   |  |  |

|             |   |  |    |  |
|-------------|---|--|----|--|
| January     | Learn more about the LEED Program and the implication of the Governor's Executive Order requiring LEED consideration on State, Community College, and University construction | Joe Osterwald,<br>BGS<br>Beth Nagusky, Dir.<br>Energy<br>Independence<br>Richard Graves,<br>WBRC<br>Donuta<br>Drozdowica, Fore<br>Solutions  | 43 |  |
| February    | "Construction Warranties - What applies and what does not"  | Jotham D. Pierce<br>Jr., Esq. of the<br>Portland Law Firm<br>of Pierce Atwood  | 28 |  |
| March       | Flatness and Levelness Tolerances for Concrete Floors   | Manny Mattos and<br>Earl Samero  | 28 |  |
| April       | Know your CSI + An Introduction to MasterFormat 2004  | Richard Eustis,<br>PE, FCSI, CCCA  | 20 |  |
| May         | Specifications of Openings based on Performance Characteristics and need for air and water infiltration field testing.  | Bob Haywood  | 21 |  |
| June        | Awards Night  |  | 15 |  |
| <b>FY05</b> |   |  |    |  |
| September   | Insulated Concrete Forms (ICF) for use in Residential and Commercial Construction   | Mart Barron  | 33 |  |
| October     | The 2004 Edition of MasterFormat  | Dennis J. Hall,<br>FCSI, CCS,<br>CCCA, AIA   | 37 |  |
| November    | State Building Assessment Program   | Mel Cole, Jr., CSI,<br>CDT & Keith<br>Lowell, CSI, CCS   | 31 |  |
| December    | All-industry Meeting  |  |    |  |
| January     | Maine State Building Codes - How do we implement  | Mark Tebbets,<br>MCO, CBO  | 36 |  |
| February    | LEED Projects in Maine  | Frank Crabtree,<br>PR, LEED AP,<br>Harriman<br>Associates<br>Pat Richter,<br>Wright-Ryan<br>Richard Graves,<br>AIA, LEED AP,<br>WBRC<br>Danuta<br>Drozdowicz, LEED<br>AP, Fore Solutions | 41 |  |

|             |  |   |    |  |
|-------------|--|---|----|--|
| March       | Concrete Shrinkage Control   |   |    |  |
| April       | Legal Landmines in Construction Contracting  | Mike Bosse, Esq.;<br>Bernstein, Shur,<br>Sawyer & Nelson  | 31 |  |
| May         | Concrete Masonry and Mold  | Peter LeBlanc,<br>New England<br>Concrete Masonry<br>Association  | 32 |  |
| June        | Awards Night   |   | 27 |  |
| <b>FY06</b> |  |   |    |  |
| September   | Contractor's Estimate vs Architect's Estimate  | Keith Lowell, CSI;<br>Lowell<br>Specifications and<br>David LePage;<br>H.E. Callahan                          | 44 |  |
| October     | Campus Construction & Student Mentoring -<br>Meeting held at the University of Maine with<br>special invitation to students<br>(Meeting in Orono)                                  | Gerret Bertolini,<br>Pizzagalli<br>Construction<br>Fred Stoddard,<br>University of Maine                      | 41 |  |
| November    | Advanced Fenestration Technology &<br>Student Mentoring -<br>Meeting held at the University of Maine at<br>Augusta with special invitation to students                             | Dennis Pelletier,<br>FCSI, CCPR   | 45 |  |
| December    | All-Industry Meeting   |   |    |  |
| January     | Update on the Americans with Disabilities<br>Act (ADA)   | Denis Pratt - Alpha<br>One  | 43 |  |
| February    | LaPoint Center, Design and Construction &<br>Student Mentoring -<br>Meeting held at the Central Maine<br>Community College with special invitation to<br>students                  | Jeff Larimer, CSI &<br>Mark Lee of<br>Harriman<br>Associates and<br>Clarence Hanscom<br>of Davis &<br>Hanscom | 25 |  |
| March       | Fire Resistant Coatings  | Joe Scaries;<br>Flame Control<br>Coatings   | 28 |  |
| April       | Environmental Considerations for<br>Architectural Coatings & Student Mentoring -<br>Meeting held at the Southern Maine<br>Community College with special invitation to<br>students | Jeff Crawford;<br>Maine DEP<br>Brent Smith; ICI<br>Paints   | 28 |  |
| May         | Afternoon Seminar - Managing the<br>Transition to MasterFormat 2004  | Susan<br>McClymonds, CSI,<br>CCS, MAI, AIA,<br>SCIP   | 70 |  |

|                |   |  |     |  |
|----------------|---|--|-----|--|
|                |   | Richard Eustis,<br>PE, FCSI, CCCA,<br>CSC  |     |  |
| June           | Awards Night  |  | 30  |  |
| <b>FY07</b>    |   |  |     |  |
| September      | Interactive presentation on "Renewable Energy" and an update on the Reddington Mountain Wind Farm           | Kerry Briggs -<br>Endless Energy   | 35  |  |
| October        | Sustainable Forest Practices in Maine   | Donald Mansues   | 16  |  |
| November       | Air Barriers, an Emerging Market  | Keith Sportack   | 25  |  |
| December       | All-Industry Meeting Program on BIM   |  | 205 |  |
| January        | Cold Weather Concreting (Joint Meeting with NNECPA)   | Dick Martin - W.R.<br>Grace Co.  | 32  |  |
| February       | Pervious Concrete - Concrete Solutions to Storm Water Runoff  | Jon Kuell -<br>Executive Director,<br>NNECPA   | 30  |  |
| March          | Tours of LEED Facilities and "LEED Lessons Learned"   | Tour & Panel of<br>Participants  | 58  |  |
| April          | Paint Seminar - Cancelled   |  |     |  |
| May (April 24) | Building Commissioning and Its Benefits (Meeting in Orono)  | Abbe Bjorklund,<br>PE, LEED AP -<br>Sebesta Blomberg<br>& Associates   | 31  |  |
| June           | Awards Night/40th Chapter Anniversary   |  | 37  |  |
| <b>FY08</b>    |   |  |     |  |
| September      | Energy Codes - The Advantage of Building Above and Beyond   | Alma Garnett,<br>President of<br>Hunter Panels &<br>Chair of the Board<br>of PIMA (<br>Polyisocyanurate<br>Insulation<br>Manufacturers<br>Association) | 23  |  |
| October        | Afternoon Tour of Gagne & Sons CMU Plant<br>Evening Program - Thermal Performance of Concrete Masonry Units | David Nickerson,<br>CSI - CEO of<br>Insulated Concrete<br>Corporation  | 26  |  |
| November       | Afternoon Tour of Wood Structures Inc. Plant<br>Evening Program - Whole Building Component Engineering      | Norman Hord,<br>Design Manager,<br>Wood Structures,<br>Inc.  | 24  |  |

|             |   |   |     |  |
|-------------|---|---|-----|--|
| December    | All-Industry Meeting  | Peter Vigue   |     |  |
| January     | Insulated Concrete Forms (Joint Meeting - NNECPA)   | John Bradbury - ABS Maine   | 28  |  |
| February    | Blue Book Update  | John Butts, AGC of Maine<br>Dick Eustis, PE, FCSI   |     |  |
| March       |   |   |     |  |
| April       | Daylight Harvesting (Meeting in Bangor)   | Brad Gouzie, Yusen Associates   | 34  |  |
| May         | Challenges and Rewards of Implementing Innovative Stormwater Treatment Strategies at University Commons, USM Portland | David Senus, PE - Woodard & Curran, Inc.  |     |  |
| June        | Awards Banquet  |   |     |  |
| <b>FY09</b> |   |   |     |  |
| September   | LEED for Schools  | Gunnar Hubbard, LEED AP   | 39  |  |
| October     | Building Codes and Door Hardware  | Shelley Hudson. Ingersoll Rand Security Technologies  | 36  |  |
| November    | "Standing on Green Principles" - Sustainable Flooring Choices and Life Cycle Assessment                               | Leah Cavalli, Vice President of Commercial Flooring Solutions                                 | 21  |  |
| December    | All- Industry Meeting   |   | 200 |  |
| January     | Social Event - Recent travels of 2 Chapter Members  | Bill Charland & Stephen Drane   | 26  |  |
| February    | A Roundtable on selection, specifying and approval of light fixtures - Joint Meeting with Downeast Chapter of IES     | Ken Brann, Mark Lee, Phil Morrisette, Shawn Swaney, Denis St.Peter, John Tarr, Peter Levesque | 62  |  |
| March       | The Prevention of Moisture Related Floor Failures   | Joe Keaveney; Barrier - 1, Inc.   | 30  |  |

|             |   |   |    |     |
|-------------|---|---|----|-----|
| April       | Update on the Adoption of the Maine Uniform Building & Energy Code                                | Richard Lambert;<br>Director of Code Enforcement:<br>Saco, ME               | 30 |     |
| May         | Building Information Modeling Seminar   | Robert S. Weygant, CSI,<br>CDT, SCIP - Chair<br>CSI's BIM Practice Group    | 50 |     |
| June        | Awards Banquet  |   |    |     |
| <b>FY10</b> |   |   |    |     |
| September   | New Code Requirements – Indoor Air Quality, Health & Safety Issues, Energy Conservation & Testing | Kurt Johnson  |    | 0   |
| October     | Architectural Glass - Sigco   |   |    | 0   |
| November    | Design Requirements for Historic Preservation   |   |    | 1.5 |
| December    | All-Industry Meeting  |   |    | -   |
| January     | Adapting to Climate Change in the Built Environment (Jpint Meeting with NH Chapter)               | Ray Sarois  |    | 1   |
| February    | Update of the Adoption of MUBEC   |   |    | 1   |
| March       |   |   |    |     |
| April       | Concrete 101: The fundamentals of Concrete  | Ken Brann, Russ Bragg, Bruce Munger. Phil Nunley, Brian Barry, David Dodier |    | 1   |
| May         | Construction Financing  |   |    | 1   |
| June        | Awards Banquet  |   |    |     |
| <b>FY11</b> |   |   |    |     |

|             |   |                 |  |   |
|-------------|---|-----------------|--|---|
| September   | Design Considerations & Options for Successful Resinous Flooring Instalations       | Sam Sacks       |  | 1 |
| October     | Architectural Fire Rated Glazing  | Ron Leiseca     |  | 1 |
| November    | Maine Advanced Buildings Program  | Nick Collins    |  | 1 |
| December    | All-Industry Meeting  |                 |  | - |
| January     | Appalachian Mountain Club's Maine Wood (Joint Meeting with NH Chapter)              | Bryan Wentzel   |  | 0 |
| February    | Concrete Polishing – Specification Basics   | Jennifer Faller |  | 1 |
| March       | Wood Treatment – Micronized Copper Preservation                                     | Hal Bumby       |  | 0 |
| April       | Wind Power Test Lab   | Larry Parent    |  | 0 |
| May         | Maine Code Conference   |                 |  | 0 |
| June        | Awards Banquet  |                 |  | 0 |
| <b>FY12</b> |   |                 |  |   |
| September   | 2010 ADA Standards of Accessibility Design Review                                   | Jill Simpson    |  | 1 |
| October     | Infection Control Technologies in Building Design                                   |                 |  | 1 |
| November    |   |                 |  |   |
| December    | All-Industry Meeting  |                 |  | - |
| January     | Integrated Project Delivery: A Panacea or a Placebo (Joint Meeting with NH Chapter) | David Ray, Esq. |  | 1 |
| February    | Brunswick Landing & Topsham Commerce Park   | Jeffrey Jordan  |  | 1 |
| March       |   |                 |  |   |

|             |   |   |  |     |
|-------------|---|---|--|-----|
| April       | Contractor's Complaint Night  | Art Dudley, Jeff Ohler. Bill Hunter                       |  | 1   |
| May         | Design & Construction of the new Hampden Academy Building including Bldg Tour | Jeff Davis  |  | 2.5 |
| June        | Awards Banquet  |   |  | 0   |
| <b>FY13</b> |   |   |  |     |
| September   | Through-wall Flashing Compatibility, Sustainability and Performance           | Craig Wetmore, David Carroll                              |  | 1   |
| October     | Maine General Hospital – IPD Construction Administration including Bldg Tour  | Craig Piper, John Scott                                   |  | 2.5 |
| November    | New Cross Insurance Center, Bangor – Tour and Discussion                      | Jim Ring, Jon Dientes. Matt Hamann, Ray Bolduc, Bob Frank |  | 2.5 |
| December    | All-Industry Meeting  |   |  | -   |
| January     | Integration of E-Specs and BIM Data (joint Meeting with NH Chapter)           | Gilles Letourneau   |  | 1   |
| February    | Understanding U-Factors in Windows and Doors                                  | Tom Minnon  |  | 1   |
| March       | Cancelled   |   |  |     |
| April       | LIDAR – What is LIDAR and How it is used as a Design and Engineering Tool     | Jan Wiegman, Chris Hinkley                                |  | 1   |
| May         | Thermal Mass of Concrete Block  | Bill Green  |  | 1   |
| June        | Awards Banquet  |   |  |     |
| <b>FY14</b> |   |   |  |     |
| September   | Construction Administration with Newforma Contract Management                 |   |  | 1   |
| October     | Hyatt Place Construction Project – Portland, ME                               | Tim Schneider   |  | 1   |

|             |   |  |  |   |
|-------------|---|--|--|---|
| November    | Maine General Hospital – Lessons Learned                        | Craig Piper, John Scott, Steve Wiley, Rick Alpert, Dana Foote                        |  | 1 |
| December    | All-Industry Meeting  |  |  | - |
| January     | Demystifying LEED V4  | Jay Waterman, Ian Johnson  |  | 1 |
| February    | Cancelled   |  |  |   |
| March       | No Meeting  |  |  |   |
| April       | Renovation of UM Field House & Memorial Gym including Bldg Tour | David Lay, Jeff Aceto  |  | 2 |
| May         | Building Envelop Conference                                     | Brian Neely, Roy Schaufele, Joshua Kivela, Drek McCowen, Thomas Gay, Joseph Lstburek |  | 6 |
| June        | Awards Banquet  |  |  |   |
| <b>FY15</b> |   |  |  |   |
| September   | Substitutions in Construction Contracts                         | Matthe Tonello, Christopher Brown  |  | 1 |
| October     | Contractor Complaint Night II                                   | Dana Littlefield, Jeff Ohler, Randy Poulton  |  | 1 |
| November    | Submittal Review Process  | Nick Morgan, David Lay, Kelly Doran, Scott Tirell, Scott Gordon                      |  | 1 |
| December    | All-Industry Meeting  |  |  |   |
| January     | Wasco (Joint Meeting with NH Chapter)                           |  |  |   |
| February    | ConsensusDocs vs, AIA Contract Documents                        | David Ray, Esq   |  | 1 |
| March       | No Meeting  |  |  |   |

|             |   |                   |  |   |
|-------------|---|-------------------|--|---|
| April       | Glass and Energy including SIGCO Factory Tour                   | Troy Johnson      |  | 2 |
